Condition:	Used	Location:	Ft. lauderdale, FL, United States

### Pah Cheh

---

Style, grace and superior design are only a few attributes on a long list used to describe the Mochi Craft 44. This 2008 model is a true example of Italian Yacht construction at its best. With its generous helm area flowing into what is considered the infinity cockpit thanks to an hydraulic transom she offers an abundance of space for out island adventures or entertaining during cocktail cruises. The interior with her high end woodwork is both sophisticated and practical. A large mater stateroom and salon play host to all the amenities you would expect to

---

find on a much larger yacht. She cruises at 28 knots powered by extremely economical twin Volvo D-9 engines. Up to date Garmin electronics package and an incredible A/V system throughout including a large flat screen with Direct tv in the helm / outside salon area. The owner has always maintained this yacht with an open checkbook. including new hull paint and new teak decks to name just a few of the upgrades performed to keep her in Palm beach condition. You are encouraged to come see for yourself. She is ready for your inspection! Owner has a new Yacht on the way and ready for all reasonable offers.
