Dun-Rite

Turn Key Ready 57 Carolina Custom

This is the one you have been waiting for! Like new condition. *Dun Rite* is a 57 Custom Carolina built by Tommy Fletcher and is a shining example of a truly perfected North Carolina classic Sportfish design. Purchased by her second owner in 2011 Dun Rite completed a full bow to

stern refit at Jarret Bay Boatworks. She is Captain maintained and operated with an open checkbook by a knowledgeable owner. New Cat C-15 engines, generator, air conditioned mezzanine, teak decks, covering boards, Cherry wood custom interior throughout, helm station, electronics, A/C system and total exterior paint. These are a few items on a long list of upgrades. Over 1.2 million invested during the refit resulting in a boat that is now in factory fresh new condition. Dun Rite has an amazing ride in any sea condition with a fuel burn of less than 60 GPH at cruising speed, which allows for extremely economical operation. Rigged out with the amenities and equipment for extended hardcore trips to the islands yet sleek enough to host an elegant evening of entertaining guests. The Dun Rite will surpass all expectations. A proven tournament winning offshore machine that is ready to continue the adventure with a new owner. You are encouraged to come view this 57 and perform a personal inspection. This Tommy Fletcher is a rare find in todays market that is in excellent condition and a great price. Located in North Palm Beach. Call today to arrange a private showing.
